“artist” means a person who cultivates or practises one of the fine arts or the performing arts and includes a musician;
“exempted position” means a position in a business that is occupied by an exempted employee;
“fine arts” means those arts that appeal to the intellect or the sense of beauty and include literature, music, painting and sculpture;
“temporary work permit” means a permit referred to in section 53; and
“work permit” does not include a temporary work permit.

3. A form, notice, certificate, licence, permit, warrant, book, register or other document is in the prescribed form for the purposes of the Law or of these regulations if it has been issued or approved for the purpose by the Chief Immigration Officer.

4. (1) Subject to subregulation (2), an employer or prospective employer shall use his best endeavours to ascertain whether or not there is a Caymanian, or a person legally and ordinarily resident in the Islands, ready, willing and able to undertake the job in question before making an application for the grant or renewal of a work permit in respect of a worker or prospective worker whose gainful occupation in the job is sought to be authorised by the work permit.

(2) The Board may, by prior arrangement, waive the requirement of subregulation (1) if, having regard to the nature of a particular application, it considers such waiver to be in the interests of the community.

(3) For the purpose of fulfilling the requirement of subregulation (1), the employer or prospective employer shall cause advertisements to be published inviting Caymanians or persons legally and ordinarily resident in the Islands to apply for the position.

(4) Subject to subregulation (2), an application for the grant or renewal of a work permit shall be accompanied by-
(a) a copy of each advertisement published in accordance with subregulation (3), with details of the newspaper in which it was published and the date on which it was published;

(b) a full and accurate description of the job to be filled;

(c) a full and accurate description of the qualifications the employer or prospective employer considers necessary for carrying out the job and the reasons for requiring those qualifications;

(d) details of any responses received in respect of the advertisements including the qualifications of those who responded; and

(e) details of the employer’s or prospective employer’s reasons for not employing any Caymanian, or person legally resident in the Islands, who responded to the advertisement.

(5) Where a Caymanian has applied for a position, the Work Permit Board shall, for the purpose of being satisfied of the matters specified in subregulation (1), take into account the following information supplied by the applicant for the grant of the work permit-

(a) the names of all the applicants for the post;

(b) the qualifications, working experience and background of all the applicants;

(c) the reasons given for the choice of the successful applicant and for the refusal to employ the other applicants;

(d) a copy of the refusal letter and interview report for each unsuccessful Caymanian applicant; and

(e) a copy of the job description and resumes of the non-Caymanian applicants.

(6) Whoever, in purported compliance with subregulation (3), lodges details that are incomplete, false or misleading is guilty of an offence and liable on conviction to a fine of five thousand dollars.

(7) The Board has no power to consider an application for a work permit or the renewal of a work permit unless and until the requirements of subregulation (4) have been complied with.

(8) Nothing in this regulation prohibits an employer or prospective employer from advertising a job in such other manner as he considers necessary.

5. Each work permit shall have an endorsement or be accompanied by a notice to the work permit holder in the following terms-

“You are hereby informed that, under the existing Laws and regulations, the granting of this work permit in no way confers any entitlement to, or preference in connection with, the granting of any application for the renewal hereof or of any application for the right to be Caymanian.
Applications for the renewal of a work permit, applications for the grant of permanent residence and applications for the right to be Caymanian are all considered on their own merits and in the light of circumstances existing at the relevant time.”.

6. (1) The Board may require an applicant for the grant or renewal of a work permit to provide details of any programme that he has that is designed to ensure that Caymanians are provided with the instructions and practical experience necessary to make them fully qualified to carry out the job concerned satisfactorily and as expeditiously as possible.

(2) The absence of such a programme or the failure to implement such a programme without reasonable cause constitutes a ground for denying the grant or renewal of a work permit.

(3) Where the Director of Employment Relations is satisfied that there are insufficient Caymanians, or persons legally and ordinarily resident in the Islands, to meet an expected demand for persons to fill jobs in any profession, trade or industry or in relation to a particular project or enterprise, he may, in consultation with the Board, establish arrangements with authorities outside the Islands for the selection there of persons ready, willing and able to fill those jobs for the purpose of recommending their recruitment to prospective employers within the Islands.

(4) An application for a work permit involving a person recommended in accordance with subregulation (3) shall be given preference by the Board.

7. The Board shall submit a detailed report to the Governor outlining the total number of work permits granted, extended and revoked during the previous quarter.

8. The Chief Immigration Officer shall, at least once every month, obtain from the courts a list of all convictions, divorces, and relative particulars relating thereto, and monthly reports from the Police and the Registrar of Births, in order for the Chief Immigration Officer to ascertain whether or not any person should be allowed to remain in the Islands.

9. Where a person whose employment in the Islands is authorised under a work permit, the grant of which is conditional upon his remaining in the employment of a particular employer ceases to be employed by that employer-

11. (1) A person arriving in the Islands for the purpose of engaging in any activities listed in subregulation (2) for a period not exceeding seven days is not required to obtain a work permit, on the condition that only such activities are engaged in and no other activity is carried out that would otherwise require a work permit.

13. In pursuance of section 45, every company, firm or other business enterprise employing fewer than fifteen work permit holders shall, within one year of having employed its fifteenth work permit holder, submit to the Board a Business Staffing Plan in accordance with the Third Schedule.
