A BILL FOR A LAW TO AMEND THE ANIMALS LAW (2013 REVISION) AS A CONSEQUENCE OF THE ENACTMENT OF THE NATIONAL CONSERVATION LAW 2013; TO AMEND THE LICENSING REGIME UNDER THE LAW; AND FOR INCIDENTAL AND CONNECTED PURPOSES
ANIMALS (AMENDMENT) BILL, 2014

MEMORANDUM OF OBJECTS AND REASONS

The Bill seeks to amend the Animals Law (2013 Revision) ("the principal Law") as a consequence of the enactment of the National Conservation Law, 2013.

Clause 1 provides the short title and commencement provisions.

Clause 2 amends section 2 of the principal Law by inserting a definition for "National Conservation Council".

Clause 3 amends section 3 of the principal Law to provide that no animal of any description shall be exported from the Islands to any country or from one of the Islands to another of the Islands otherwise than in accordance with the legislation.

Clause 4 amends section 5 of the principal law to provide that no live animal or biological product shall be exported save under licence.

Clause 5 repeals and replaces section 9 of the principal Law to provide that application for licences to export an animal, carcass or biological product must be made in writing to the C.A.V.O. and an application for import and exportation must be accompanied by the prescribed application fee.

Clause 6 repeals and replaces section 10 of the principal Law in order to provide that the C. A. V. O. when considering an application for a licence to import a live or viable specimen of an alien or genetically altered animal, shall, in accordance with any directives issued by the National Conservation Council, consult with that Council and take into account any views of the Council before granting any such licence. The new section 10 would also make it clear that application and licence fees paid under sections 9 and 10 are not refundable.

Clause 7 amends section 11 of the principal Law to provide that prior to making regulations which relate to the importation of a live or viable specimen of alien or genetically altered animals the Governor shall consult with the National Conservation Council.

Clause 8 amends section 13 of the principal Law, which deals with offences, to provide that a person who imports a live or viable specimen of an alien or genetically altered animal without a licence commits an offence and is liable on conviction to a fine of five hundred thousand dollars or to imprisonment for a term of four years or to both.
Clause 9 of the Bill repeals section 78 of the principal Law which prohibits the hunting of protected animals.

Clause 10 repeals section 79 of the principal Law which prohibits the hunting of game birds.

Clause 11 repeals section 80 of the principal Law which provides that iguanas and all non-domestic birds other than game birds are protected animals.

Clause 12 repeals section 81 of the principal Law which lists birds which are game birds.

Clause 13 repeals section 82 of the principal Law which designates animal sanctuaries.

Clause 14 repeals section 83 of the principal Law which prohibits hunting and other activities in an animal sanctuary.

Clause 15 amends section 86 of the principal Law which gives power to the Governor in Cabinet to make regulations.

Clause 16 contains transitional provisions.
