### Applications for Registrations

---

Trade Mark was registered in the Cayman Islands

**On:** 23 December 2024

**No:** T0004145

**Word/Mark:** **WORLDPAY**

**Class List:**

- **9 for** Downloadable computer software used for financial transaction processing, authorization, and verification; downloadable computer software used for payment processing; downloadable computer software used for enabling and conducting mobile payments; downloadable computer software used for fraud checking and prevention; downloadable computer software used for electronic payments; downloadable computer software used for electronic funds transfers; downloadable computer software used for credit cards; downloadable computer software used for debit cards; downloadable computer software used for bank cards; downloadable computer software used for stored value cards; downloadable computer software used for electronic benefit cards; downloadable computer software used for prepaid card processing; downloadable computer software used for financial risk management; downloadable computer software for payment processing services; downloadable computer software for tracking and analyzing payment processing data; downloadable computer software for use in the operation and management of point-of-sale terminals; downloadable computer software for use in computer payment terminals; downloadable computer software for use in mobile payment acceptance terminal services for financial transactions, networks, and merchants; point-of-sale payment terminals; electronic payment terminals; electronic mobile payment acceptance terminals; electronic encryption units for payment processing.
- **36 for** Payment processing services; payment processing transaction services for credit cards; payment processing transaction services for debit cards; payment processing transaction services for cash cards; payment processing transaction services for prepaid cards; payment processing transaction services for check cards; payment processing transaction services for stored value cards; payment processing transaction services for benefit cards; payment processing transaction services for loyalty cards; payment processing transaction services for electronic wallets; payment processing transaction services for foreign exchange; payment processing transaction services for cryptocurrency; payment processing transaction services for ACH transactions; merchant payment transaction processing services; processing of payment transactions; payment authorization services, namely, providing financial authorization services for credit cards, debit cards, cash cards, prepaid cards, check cards, stored value cards, benefit cards, loyalty cards, and electronic wallets; financial transaction processing, namely, fraud checking and prevention, and verification services; providing payment options by means of customer-operated electronic point of sale terminals available on-site in retail stores; financial transactions services, namely, providing secure payment options via computer terminals; financial transaction services, namely, providing secure payment options using a mobile device at a point of sale; financial services relating to the sale of point-of-sale payment terminals, computer payment terminals, and mobile payment acceptance terminals; issuance of prepaid gift cards; issuance of loyalty cards; issuance of reward cards; issuance of other financial cards; financial analysis and consulting in the field of payments; financial risk management services in the field of payments; credit risk management services in the field of payments; fraud reimbursement services in the field of credit card purchases; fraud reimbursement services in the field of debit card purchases; fraud reimbursement services in the field of electronic payments; fraud reimbursement services in the field of electronic transfers; financial services relating to analysis of payment transaction data.

- **42 for** Computer software development in the field of payment processing; computer software programming in the field of payment processing; computer software design in the field of payment processing; computer software installation in the field of payment processing; computer software integration in the field of payment processing; computer software maintenance in the field of payment processing; computer software consulting in the field of payment processing; computer software technical support services for others in the field of payment processing; website design in the field of payment processing; website maintenance in the field of payment processing; website hosting in the field of payment processing; website design consultancy in the field of payment processing; maintenance of websites and hosting online web facilities for others; providing technological information in the field of payment processing; providing online, non-downloadable computer software for use in financial transactions; providing online, non-downloadable computer software for use in financial processing; providing online, non-downloadable computer software for use in financial authorization; providing online, non-downloadable computer software for use in financial verification; providing online, non-downloadable computer software for payment processing; providing online, non-downloadable computer software for enabling and conducting mobile payments; providing online, non-downloadable computer software for fraud checking and prevention; providing online, non-downloadable computer software for making electronic payments; providing online, non-downloadable computer software for electronic funds transfers; providing online, non-downloadable computer software for credit cards; providing online, non-downloadable computer software for debit cards; providing online, non-downloadable computer software for bank cards; providing online, non-downloadable computer software for stored value cards; providing online, non-downloadable computer software for electronic benefits cards; providing online, non-downloadable computer software for prepaid card processing; providing online, non-downloadable computer software for financial risk management; providing online, non-downloadable computer software for use in payment processing transaction services for credit cards; providing online, non-downloadable computer software for use in payment processing transaction services for debit cards; providing online, non-downloadable computer software for use in payment processing transaction services for cash cards; providing online, non-downloadable computer software for use in payment processing transaction services for prepaid cards; providing online, non-downloadable computer software for use in payment processing transaction services for check cards; providing online, non-downloadable computer software for use in payment processing transaction services for stored value cards; providing online, non-downloadable computer software for use in payment processing transaction services for benefit cards; providing online, non-downloadable computer software for use in payment processing transaction services for loyalty cards; providing online, non-downloadable computer software for use in payment processing transaction services for electronic wallets; providing online, non-downloadable computer software for use in payment processing transaction services for foreign exchange; providing online, non-downloadable computer software for use in payment processing transaction services for ACH transactions; providing online, non-downloadable computer software for tracking and analyzing payment processing data and information; providing online, non-downloadable computer software for use in the operation and management of point-of-sale terminals; providing online, non-downloadable computer software for management of point-of-sale terminals; providing online, non-downloadable computer software for computer payment terminals; providing online, non-downloadable computer software for mobile payment acceptance terminals; electronic monitoring of electronic funds transfers and payments using computers and sensors [electronic data collection]; data encryption services in the field of payments; leasing of computer hardware and equipment; electronic monitoring of credit card, debit card, and stored value cards activity to detect fraud via the internet; electronic signature verification services using technology to authenticate user identity; providing temporary use of online, non-downloadable computer software broadcasting geographical data received using a global positioning system; rental of computers and computer equipment; rental of computer hardware and software; digital signature verification services [electronic cryptology services]; digital signature authentication services; electronic signature verification services [electronic cryptology services]; electronic signature authentication services; identity theft protection services relating to the processing of financial payments; financial identity monitoring services for fraud protection purposes relating to the processing of financial payments; leasing of computer payment terminals; rental of computer payment terminals.

**Date of Expiry:** 23 December 2034

**Proprietor:** WORLDPAY, LLC  
8500 Governors Hill Drive  
Cincinnati, Ohio 45249  
United States of America

**Agent:** KSG ATTORNEYS AT LAW  
P. O. Box 2255  
One Capital Place, 3rd Floor  
Shedden Road  
Grand Cayman KY1-1107  
Cayman Islands

**Oppositions to, or observations in respect of, the above-cited application, whose number on the Register is T0004145, should be submitted not later than the 25<sup>th</sup> day of July, 2025.**

Trade Mark was registered in the Cayman Islands

**On:** 08 January 2025

**No:** T0004158

**Word/Mark:**
