

Unity Strengthening Our Legacy

By: Kristiana Scott Salazar

School: Creek & Spot Bay Junior School

Age: 8 Years

From Northeast Bay's breeze to Spotts shore,
Our hearts beat strong with tales of yore.
In Little Cayman, quiet and grand,
We walk with pride upon this land.

Our forefathers were brave, with heads held high,
Faced storm and strife yet reached the sky.
Though bound by chains, their spirits stayed strong
Their voices of hope rose in triumphant song.

Then the dawn of freedom came after long nights of despair,
Their chains fell away in the bright morning air.
Today we stand proudly on the foundations they laid,
Living the legacy of freedom that their courage made.

They built with love, with hands so wise,
Beneath our wide and wondrous skies.
Their voices echo in the sea—
A song of strength and unity.

From many roots and cultures, our heritage grew,
Yet we all are one family with pride ever true,
Grand Cayman, Cayman Brac, Little Cayman—three islands, one voice,
Standing together as one, in freedom we rejoice.

Unity: Strengthening Our Legacy, is the creed we proclaim,
We carry our forefathers' flame and honour their name.
Our unity strengthens their legacy as future meets past,
Ensuring that our dreams will forever last.

Beneath the same sun and by the Caribbean Sea,
We stand united in hope—strong, proud, and free!
Together strong, both you and me—
We are Cayman's legacy!
