*Interpretation note: non-Caymanian civil servants are exempted from the work permit process for their civil servant roles. This list shows the non-Caymanian civil servants by Ministry/Portfolio/Independent Office and department. These numbers are as at August 31, 2023. This list does not include Statutory Authorities & Government Companies. Non-Caymanian employees are placed on fixed term employment agreements while Caymanian employees are provided with open ended employment agreements unless the nature of role is on a fixed-term basis.

This table does not show whether the individual has some other immigration status that would enable him or her to work in the private sector without a work permit. An example of this would be where a non-Caymanian civil servant is married to a Caymanian and holds a Residency with Employment Rights Certificate (RERC).
